

WWLD?

WHAT WOULD LASSIE DO??

**PLEASE! KEEP YOUR
PETS SAFE AT HOME
THIS 4TH OF JULY!!**

Lassie and FETCH urge you to take extra care with your pets this July 4th. Here's what Lassie recommends:

-  **Keep your pets inside the house in a secure room where they will not be able to break through a window or dart out the door.**
-  **If you will be away from home, play soothing music to reassure your pet and mask outside sounds.**
-  **If your pet is crate trained and you will not be home, please keep your pet in their crate. They will be safer and happier this way.**
-  **Make sure your pet is wearing a collar with current ID tags.**
-  **In the event that your pet does escape call WAIF, the Animal Control Office and local veterinarians IMMEDIATELY.**

If you have any questions or concerns, please feel free to call FETCH at 360-321-4049 or e-mail us at fetch@whidbey.com.
